Officers found the chilled pup standing against the door trying to turn the knob with his mouth.

## Albany SOROPTIMIST Rites Held for Errol X. Pach

Funeral services were conducted last Saturday morning for Errol Xavier Pach of 1041 Ventura Ave., who died Friday morning while driving to work. He was 47.

A native of Richmond, Mr. Pach had resided in the Bay Area all his life. He was part owner of a garden supply hardware store in Oakland, which his family has operated for years. A year ago Mr. Pach suffered a slight heart attack and was advised to "slow down," but he had been in fairly good health at the time of his death, it was reported.

He was a member of the Holy Names Society of St. Ambrose Church and had an amateur radio license with the number W6-ACF. Surviving are his widow, Theresa; two sons, Errol F. of Oakland and Donald M. of Albany; two daughters, Jo Ann and Laura M.; a brother, Marion F. of Oakland, two sisters, Mrs. Adele Gallo of Berkeley and Mrs. Gladys Smith of Lafayette.

Services were conducted from the Ellis-Olson Mortuary, followed by a requiem high mass at St. Ambrose Church. Committal was at St. Joseph's Catholic Cemetery.

Mr. Bechtel was a member of East Bay Machinists Union, Local No. 1304 and the Marine Engineers. He attended the First Church of Christ Science in Berkeley.

Survivors include his widow, Elizabeth; a daughter, Mrs. Yvonne Marshall of Hayward; a brother, Fred of Albany; two sisters, three grandchildren and one great grandchild.

Service were conducted from the Ellis-Olson Mortuary, followed by private committal.

## Demoted Inspector to Retain Rank

The Albany City Council Monday night overruled an order of Police Chief Stanley C. Williams demoting probationary Inspector Vernon Freeman to his permanent rank of sergeant.

The Council voted four to one to appoint Freeman permanent inspector effective May 1, pending a written decision by City Atty. Edward R. Plotner to be rendered at a special meeting Thursday night.

The action overrode an implied protest by the City Attorney that the Council may be acting hastily inasmuch as the City Charter vested the appointive power in the elected police chief.

The controversial issue came before the Council last week when it received a copy of a letter written by Chief Williams to Inspector Freeman informing him that as of May 1 he would be returned to the rank of sergeant.

The Council took no action at that time since the Chief gave no explanation.

When the Council requested an explanation for the Chief's action, he stated in a reply:

"The reason for not appointing him to the permanent status as inspector is that his services have not been satisfactory."

The Council, with exception of Councilwoman Mrs. Kathie Zahn, held that this was not reason enough for the demotion.

Councilman Jerome Blank said "We want to know what he did that wasn't satisfactory. I think we deserve further information."

"You are sticking your necks out until you may have them chopped off," warned Mrs. Zahn. "The City Charter and rules of the Civil Service Board speak against you." She charged that the Council had no right to tell an elected official how to run his department.

Speaking from the floor, Richard McDonough, representing the Albany Police-Fire Civil Service Club for the law firm of St. Sure and Moore, advised Councilmen of the danger to morale in the Police Department if the rules for promotion by competitive examination are disregarded.

Freeman passed the inspector's examinations and was to complete his six-month probationary period the end of this month.

In other action the Council canceled the employment of Mrs. Elizabeth Bechtel as school crossing guard at Thousand Oaks and Key Route Blvd. on the ground she is a member of the Civil Service Commission which makes her ineligible for city employment.

Mrs. Bechtel of 841 Solano Ave. was holding the job during the illness of her husband, Lawrence. He died Tuesday morning in Highland Hospital. Mr. Bechtel had suffered from a heart ailment and became seriously ill while on his crossing guard job earlier this month.

**TO STANFORD**—Shirley Porter daughter of Mr. and Mrs. Milton Porter, and Sheila Geering, daughter of Mr. and Mrs. Grafton Geering, have received an early acceptance from Stanford University.

Gain  
new vim...new  
joy in life!

There is no need for you to be tired, nervous, cranky or constipated if due to dietary deficiencies which occur only when the daily intake of B-vitamins and Nicotin is less than minimum requirements over a prolonged period. These non-specific symptoms do not in themselves prove a dietary deficiency and may have other causes or be due to functional conditions.

**BEXEL SPECIAL FORMULA**, the wonderful new vitamin compound, may be exactly what you need to put you on your feet again if you... like so many, many others... are suffering from common symptoms of specific deficiencies.

With all the medical knowledge of vitamins now made available by science and health research, it is senseless for you to continue feeling excessively weak and over-fatigued, all jittery and nervous.

Where such conditions are due to lack of B-vitamins, iron and trace minerals known to be essential in human nutrition, Bexel may be the "miracle drug" you are looking for to put you in tip-top shape again!

Amazing New Medical Formula Combines Important B-Vitamins, Iron and Trace Minerals Known to be Essential in Human Nutrition!

**BEXEL HELPS YOU BUILD RICH RED BLOOD**

Everybody knows the importance of iron in your diet to help you build rich, red blood. Well, just one capsule of Bexel Special Formula a day contains five times the minimum daily requirements of iron doctors say is needed by the body.

# Library Offers New Pictorial Volumes for 'the Lazy Readers'

For readers, musicians, photographers or those who just like to look at pictures, the Albany Library has these new pictorial volumes. There are lots of pictures and little print.

"Railroads of America," by Virginia Smith, shows 47 railroad scenes at work. There are photographs of engines, passengers, and the scenery along the tracks. A brief history of each railroad is presented along with notes on recent developments and improvements. Route maps show the area covered by each system.

"Revolt of American Women," by Oliver Jensen, is a picture book about bloomers to bikinis, and is a fascinating photo record of the running debate between men and their behavior at the time they first began to wear them. Here is the history of the women's movement from the leaders of feminism to the women with their all-electric blouses and unique dilemmas.

"The History of American Music," by John Durant and Otto Knebel, records the great moments in music from the colonial period to the present. Many facts about early music and a collection of fine prints, some published for the first time, will make this book especially appealing to the sports enthusiast.

"Our World From the Air," by E. A. Gutkind, is a new kind of book. Over 400 aerial photographs show the natural and man-made patterns of the earth's surface all over the world. All too often one sees the sharp contrast between the disorder of modern cities and the harmony of the unspoiled land. This is a book intended primarily for students of planning and development, but it carries a message for all. This is the necessity of preserving the earth, redressing it, and making it a beneficial habitation for man.

"The U. S. Army in World War II: Pictorial Record," issued by the U. S. Department of the Army, devotes one volume each to the European, Mediterranean, and Pacific theaters. It includes photographs taken by army, air corps, navy, marine corps, and coast guard photographers. Aerial photographs show terrain where action took place. Other pictures illustrate types of equipment and weapons used, actual military operations, and little incidents of human interest. The photographs are arranged in chronological order and accompanied by brief notes. On the lining papers of each volume are maps of the war theater under discussion.

## Albany Elementary Students to Present Annual Spring Concert

Between 300 and 400 Albany children from Marin, Cornell and Codornices Schools will participate in the annual spring concert to be held Friday, May 8, at 7:45 p.m. in the Marin School Auditorium.

Parents and friends are invited to attend the one and one-half hour event.

A preview concert is scheduled for students Thursday at 9:30 a.m. in the Marin auditorium.

Orchestras and glee clubs from the three schools will play separately and in unison. Seven soloists from two schools will be featured.

Student soloists representing Marin School will include Sydney Woolworth, flute solo; Roger Quick, mellophone solo, and Jim Booth, trombone.

Soloists from Cornell School will include Basil Rago, trumpet; Peter Olson, violin; Melvin Silvester,

clarinet, and Lawrence Cassell, saxophone.

The event is being arranged by Mrs. Jeannette Bruce, instructor of instrumental music for Albany schools and Ilene Holmgren, supervisor of elementary vocational program, who will direct glee clubs from Marin and Codornices schools.

Miss Lois Seonberg will direct the Cornell glee club; Miss Dorothy Nichols, primary glee club of Cornell, and Miss Clare Chaponot, primary glee club of Marin.

### First Baptist Topic

"The Glory of the Cross" will be the sermon subject of the Rev. A. O. Odegard at the 11 a.m. service Sunday at the First Baptist Church. At the 7:30 p.m. service he will speak on the topic, "The Dance of Death." There will be special music at both services.

PICTURED ABOVE is a scene from "The Curious Savage," a satirical comedy staged by the Albany High School senior class as the spring production. Directed by Richard Hillman, the cast included Suzie Trembley, Dominica Zupo, Fred Steele, Sheila Geering, Herbert Harrison, Charlotte Sanford, Janet Harris, Joyce Raley, Lee Howard, Ed Bertotti and Dorothy Kennedy.

## Day Camps Slated For Girl Scouts

Sharing their summer fun with their schoolmates will be Girl Scout and Brownies of Berkeley, Albany and Kensington, who invite all girls between 7 and 14 years of age to attend the scout day camps at Albany Memorial, Codornices, Live Oak and Tilden Parks.

Mrs. Verdon Garner, day camp chairman of the Berkeley-Albany-Kensington Girl Scout Council, states that the first day camp will be conducted Tuesday, Wednesday, Thursday and Friday of each week from 10 a.m. to 3 p.m.

The Albany and Live Oak camps will be operated especially for 7 and 8 year old girls; 9 year olds will be encouraged to register for Codornices, where a more advanced program, geared to the 9-year level, will be provided. The Tilden camp will be for girls 10 to 14. Chartered bus transportation will be provided for Tilden campers, with stops located at convenient places throughout the community.

Campsites have been selected for convenience to transportation, sanitary equipment, and opportunities for developing a well-rounded program of creative outdoor living, supervised by trained adults.

Registrations must be made before May 15 at Scout House, 1546 Shattuck Avenue, Berkeley.

## Albany Club Pack 7 Entertains Parents

Dens 4 and 5 of Albany Club Pack 7 entertained parents and friends with a Hawaiian Luau recently at Cornell School Auditorium.

The two dens presented a very colorful and noisy rendition of Spike Jones' "Hawaiian War Chant," followed by a pantomime of Hilo Hattie's "Cockeyed Mayor" by Teddy McCain; a "Hawaiian Cowboy" selection by Mike Nausin and Dick Mulky, and "The Amateur Hawaiians" by Mike Hemp, Louis Leimone, Phillip Smith and Don Delamain.

The meeting concluded with cubs and their parents singing "Aloha Oe" accompanied on the accordion by Teddy McCain, after which the color movie, "Wings Over Hawaii" was shown.

## Two Albany High Students Named for Boys' State

Two Albany High School boys today have been selected to attend the American Legion sponsored Boys State Convention at Sacramento in June.

They are Lewis K. Wood of 807 Key Route Blvd., and Bruce Keppel of 1130 Evelyn Ave., who will be sent to the capital city with all expenses paid for a week of intensive training in political science.

## Parents Visit Vista School

Vista Primary School held a pre-observance of Public Schools Week recently when it held visitation day for parents.

Parents visited the various classrooms where they observed such subjects as music and games in Mrs. Lorraine Hauser's kindergarten room; class newspapers in Mrs. Verona Harris' first grade; music and science in Mrs. Anne Mayer's first grade; arithmetic and creative writing in Miss Ruth Mosaly's second grade, and music, spelling and social studies in Mrs. Rosalie Maynard's third grade.

These subjects were taught as near as possible in the normal way for two half-hour periods. Then parents met in the lobby for the regular April meeting of the Vista PTA and refreshments.

William Woolworth, director of instruction, and Charles Reed, principal lead discussions concerning the school visitation.

The visitation program is an outgrowth of a questionnaire sent out last June in which parents rated the programs they had enjoyed most during the school year. The program chosen by most parents was a similar demonstration given last year.

### Christ Lutheran Topic

"Who Inhabits Eternity" will be the sermon topic of the Rev. George H. Muecke at the 11 a.m. worship service Sunday at Christ Lutheran Church. His sermon will be based on Isaiah 57:1-21, continuing the series on the Old Testament. Nursery care is provided pre-school children.

At the 7:30 p.m. service the pastor will present the eighth in a series of lectures relating the meaning and call of the Christian faith.

TO HAWAII—Mrs. John Miller (Lorraine Jurgensen of Albany) boarded the Pan-American Clipper Saturday night en route to Honolulu where she will join her husband who is stationed there with the Navy. She will establish temporary residence in the Waikeke vicinity for the duration of her husband's assignment. Mrs. Miller was accompanied to the San Francisco airport by relatives and friends, who wished her a "bon voyage."

## TV NEWS

By JIM BLANCHARD

One of the reasons why color television won't be around for a while yet in general use is the problem of developing a system which will require a minimum of space on the TV "spectrum" so that more stations will be able to broadcast. In order to produce a TV image in color, three different signals must be used—one to transmit the scene brightness, another to send the degree of color saturation, and the third to record the actual hue or color. And then, in order to keep the color system compatible with our present black-and-white, a "sub-carrier" has to be introduced to enable the image without color to ride "piggy-back" on the other one. About as clear as a big spoonful of mud, isn't it? What it adds up to is this: at present, only a very few stations could send color. There just isn't room for all those signals... but the problem will be whipped eventually.

From Hollywood comes the report that Shirley Temple will have her own TV show, if her husband permits. Then there's the report of a sign pinned on the CBS bulletin board in the television city: "Slightly used 10-inch TV set for sale. Call ST. 9000 and ask for Squinty!" No need to squint at small screens when you can get big screen Philco TV for so little... and enjoy real eye-ease with big, steady pictures. ## MacGregor PTA Gives Donations

A donation of \$15 has just been made by C. M. MacGregor PTA to the clothing room of the Berkeley-Albany Council of PTAs for use in buying new clothing. The unit also sent \$35 to the campership fund of the council. This is a fund used to pay full or partial cost for sending children to summer camps who otherwise would be unable to go, or the sending of teen-age girls to camp to train as leaders.

## Cornell Stages Big Talent Show

The Cornell School Talent Show, produced recently by the Student Council today was termed a big success. The show consisted of 27 numbers and five skits, presented in three programs.

Preliminary programs were given in the classrooms and the council acted as talent scouts. Those children who wished to participate tried out, and all children who competed were on one of the three programs.

The Talent Show was divided into three sections and each program was about 45 minutes in length. Peter Olson, student body president, was announcer for the two afternoon programs; and Karen Mardilla, vice president, was in charge of the skits which were given in the morning.

The sponsors of the show were Mrs. Mary Small, Mrs. Dorothy Gunster, and Mr. William Gubser, all seventh grade teachers.

The program consisted of pantomimes by Bonnie Henriksen and JoAnn Salstrom; and Nancy Phipps and Bruno Motta. There were a number of singers: Beverly Marks and Jo Ann Young, "Wild Horses"; Joyce Horn and Andrea Ahlgren, "Doggie in the Window"; Gwen Kollenbaum and Gail Foster, "Mag-
